FINANCIAL REPORT – Anthony White

ELECTION OFFICE BEARERS & COMMITTEE - Dudley Corbett

APPOINTMENT OF AUDITOR

VOTE OF THANKS TO 2018 COMMITTEE INCOMING PRESIDENT

CLOSURE:

FIRST COMMITTEE MEETING TO BE SET BY THE NEW COMMITTEE.

Date:

Presidents Report for the Season 2018

2018 has been a very difficult year for the football club both on and off the field.

With the move to the new complex we thought that players and crowds would flock to Dial Park and that the club would be very financial due to the -new function room and kitchen. These expectations did not eventuate and the club instead was left with a myriad of new expenses and problems and a shortage of experienced senior players.

Suffice to say after a lot of hard work by our committee we have nearly overcome a lot of these hurdles and are looking forward to 2019, where we can place the move and all of the problems associated with the move well and truly behind us. I think the rest of the executive would agree that 2018 was a year where we had taken our eyes off the ball and had to focus on non-related football issues.

We are excited by the appointment of Chris McDonald as our playing senior coach, Tim King as his assistant Ray Huxtable as our under 18 coach and welcome back Brock Dicker who will coach the reserves. We have appointed Robert Talbot as our exercise physiologist and along with our Physiotherapist, Renae, Norrie and his team we would have the one of the best medical staff in the state. I would also like to welcome Hollie on board as our new ambassador and thank Nicole Targett and her team for all of their hard work this year. I honestly believe Nicole was very unlucky not to win as her video presentation was very impressive.

It is very important that we all take time to reflect on what Peter Templeton's 5 years as senior coach means to the club. He has been a wonderful servant of our football club and has left us in a very strong position with his development of our young players. I would like to thank Peter and Leanne for their wonderful service to the club on behalf of all our supporter players coaching staff and volunteers. I would also like to take this opportunity to thank Daniel Baldock for putting his hand up to coach the under 18 when we were struggling to find someone to take on that role. Daniel has certainly developed into a fine young man and player and we are looking forward to a big year from him in 2019.

A couple of exciting announcements I can make is that by the end of December we will have a top of the range weight room set up in the new gymnasium and by the start of the football season next year a 6-person ice bath to aid our players with their recovery. Our goal is to become a very profession organisation and with these additions along with our medical staff and new facilities you would like to think that player would want to come and play with the PFC.

Finally, I would like to thank all sponsors for their invaluable and continuing support to the club. A massive thank you goes to the hard-working committee and volunteers who make the club the fantastic club that it is.

The question needs to be asked, what else needs to happen next year to make the club a fantastic place to be and this would be my wish list.

- We desperately need more volunteers especially a catering team to assist with player teas and function room bookings.
- We need more players and their partners to be involved in the life of our football club.
- We need the function room to be utilised more in 2019.
- We need a healthy and vibrant old players association to assist the club in running events and raising much needed funds.

BRIAN LANE

PRESIDENT OF THE PENGUIN FOOTBALL CLUB
