Presidents Report for the Season 2019

As 2019 comes to a close we have had our seniors, reserves and under 18's coaching panel all commit for another year. This is pretty impressive as the group have worked really well together and have laid the foundation for a very exciting year in 2020. Lila has decided to step down to concentrate on playing football and I would like to thank her for the excellent job she did this year. It is rare for a first-year coach who is also very young to guide their team into a Grand Final. So well done Lila. Congratulation should also go to Reserves coach Brock Dicker and his assistant Justin McDonald for reaching the grand final and I am confident that we can go that next step in 2020. Michael Marshall has been appointed as our Women's senior coach and I would like to take this opportunity to welcome him to our coaching panel.

I am not aware of any player who has not committed to playing in 2020. We have also been able to announce a group of really great players who will take the field with the Two Blues in 2020. Matt Elliott probably the key who will take on an assistant coaches' role with Jarrod Watling, Daniel Oates and Darcy Crane complementing this key signing. Many ex two blues are also returning to the fold with Jacob and Julian Brown and Josh Donovan heading the list.

The innovations that have been introduced by Assistant Coach Tim King have been hugely successful, our 'One in All-in training night' and 'Sunday Signings' have been key indicators of the direction our club is heading. Our juniors have also had a great year and I would like to thank their committee, coaches and volunteers for the fantastic work they do.

There is a great feel around the club and quite a few of our players have not stopped training and are posting their training achievements on the group's players page. The new weight room has proved to be very popular and is one of the reasons for this renewed enthusiasm.

Our plan of focusing on our under 18's and Reserves who won the grand final in 2017 has nearly come to fruition and our committee believe that 2020 will be a hugely successful year both on and off the field.

Dial Park is also starting to attract marque games and functions with a very successful Devils game, Junior Finals, and a Preliminary Final bringing extra revenue into our clubs' coffers. The Alister Nicholson and Mick Malthouse function was a great success with both celebrity's donating their valuable time to the club and we are indebted to Alister for organising the day. We are also looking forward to the Relive the Rivalry game in March which should attract a large crowd to Dial Park.

I would like to thank all coaches and support staff, from us under 12's to seniors including all our loyal trainers and medical staff. To all the committee, volunteers and every person who helped

the club in some way, thank you. Our Ambassador Holly Stubbs, thank you very much for your year and a job well done and congratulations to Simone Turner for volunteering for the role next year.

Congratulation must go to Chris McDonald, Ben Callaghan, Jake Degroot and Lachie Blakemore who were selected to represent the NWFL and to Ray Huxtable for his appointment as under 18 coach of the representative side. As a club we are very proud of Liam Viney's achievements with the Devils. He was appointed as co vice-captain won the coaches award and was one of their best players in most game and we certainly wish him well next year.

It is also wonderful that Lyn Brown and Norrie Hayes were inducted as life members this year and they both have made unbelievable contributions to the Penguin Football Club. Well done to Sam Mawer for winning the Tommy Kaine Medal and James King for 150 games, Toby Skene and Ben Hardy 100 games, and Nathan Russell 50 games with the Penguin Football Club.

Lastly a huge thank you to all our sponsors, and all of our members and supporters who turn up in rain, hail or sunshine to cheer on the Two Blues. I would like to especially thank Leonie Hiscutt. She is a wonderful supporter of the Football Club and we really appreciate the assistance that she offers the club. If I have forgotten anyone or anything I deeply apologise and please except this as a heartfelt thank you for your contributions.

My wish for next year would be to win our first Senior Grand Final in 35 years and I know this is not how we measure the success of our club, but it would be pretty special. We still need the following to happen so if you are available to help in any way see one of our committee.

1. We desperately need more volunteers especially a catering team to assist with player teas and function room bookings
2. We need more players and their partners to be involved in the life of our football club.
3. We need a healthy and vibrant old players association to assist the club in running events and raising much needed funds.
